

# ChangeBot

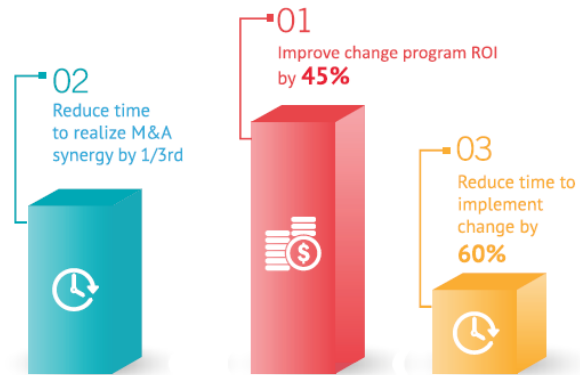

Automate • Accelerate • Deliver

Research says a well run Change program can give you 145% return on investment while a poor run program reduces this to as low as 38%. With almost 70% change initiatives not achieving intended goals, we had to think about transforming Change process itself so we can bring you best in class change management solutions.

**ChangeBot is your solution to achieving fast paced change and revolutionizing change management in your organisation. Accelerating change and aligning the organisation can deliver significant shareholder value.**

- Improve change program ROI by 45%
- Reduce time to realize M&A synergy by 1/3rd
- Reduce time to implement change by 60%

- Fail Fast, learn faster & deploy change successfully
- Accelerate change management program
- Build an agile culture
- Engage your team

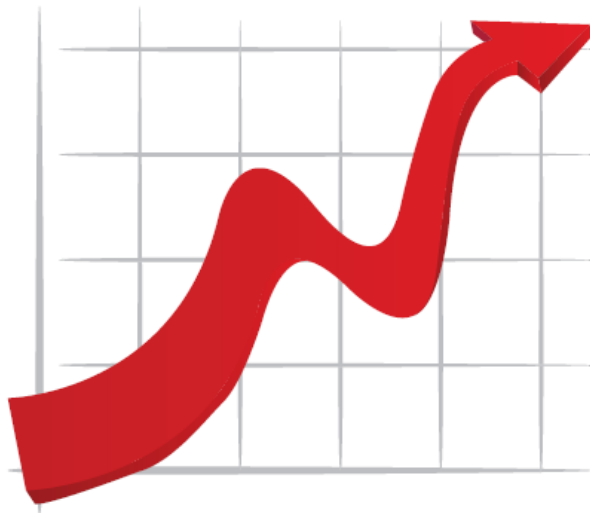

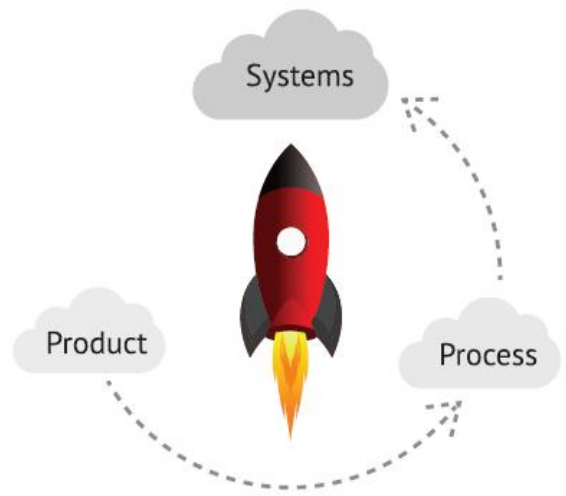

### ChangeBot will engage employees and strengthen processes

ChangeBot is a unique intervention created by the P4PE Team to help in your change journey through empowerment, consensus, engagement and support. It involves employees to brainstorm and come up with innovative Out of the box solutions. Mentorship and guidance is provided by management and experts.

## ChangeBot accelerates change

Implementing ChangeBot intervention can reduce your time to implement change by almost 60%. Most organisations worry about speed and agility in the organisation. ChangeBot can provide you additional edge over your competitor as you change your product process and systems

## Fail fast, learn faster and manage change successfully.

ChangeBot intervention makes sure that you test your hypothesis, innovate quickly and learn as you fail to make your change successful. Our intervention allows you to deploy these changes as you fail fast and learn to come up with a validated solution using our **SmartStartUp** principles.

## Make Speed and Agility part of Your Culture.

ChangeBot intervention is your solution to bring in large scale change even if you struggle due to the culture of your organisation. Speed and agility is the new reality and changebot can help you transform your culture bringing in speed and agility in the organisation.
